Qualified Scientist Form (2)

Required for research involving animals, controlled substances and pathogens; may be required for rDNA, tissues, and humans. Must be signed prior to the start of student experimentation.

Student's Name		
Title of Project		
To be completed by the Qualified Scientist (qualifications must be in student's are Scientist's Name	ea of research):	
Advanced Degree Degree Specialty (must be st	ated)	
If degree does not clarify, please explain qualifications in student's area of research:		
Position: Institution:		
Address: Phone:		
 a) If yes, were alternatives explored?	yes yes yes yes yes	no no no no no
2) Will human subjects be used?	yes yes	no no
federal regulations? b) Please list the name(s) of the controlled substance(s):	yes	no
4) Will recombinant DNA be used?	yes	no
5) Will pathogenic or potentially pathogenic agents be used?	yes	no
If yes, will accepted procedures be used?	yes	no
6) Will human blood, blood products or body fluids be used?	yes	no
7) Will hazardous substances be used?	yes	no
8) Will you directly supervise the student(s)?		no
I certify that I have reviewed and approved the procedure of the experiment prior to the start of the Designated Supervisor is not trained in the necessary procedures, I will ensure her/his training. I wil research. I have a working knowledge of the techniques to be used by the student in the experiment. substance is used in this research, I certify that I possess a DEA license required for procuring and of that a Designated Supervisor is required when the student is not conducting experimentation under the student is not conducting experimentation under the student is not conducting experimentation.	Il provide advice and If an addictive dispensing an addicti my direct supervision Date of A	d supervision during the ive substance. I understand on.
